

## **INSTRUCTIONS ON HOW TO VIEW THE WEBCAST FILE**

1. Click on the file you wish to view.
2. In the window that appears, choose "Play" using Windows Media Player.
3. If Windows Media Player is not available, you must download it before you can proceed. You may also need to validate your copy of Windows.
4. If a Windows Media Player window appears, choose Web Help and proceed to Step 9. If not, go to Step 5.
5. In Windows Media Player, click on the red circle with a white "x" next to the title of the DVD, located on the right playlist.
6. Click "Error Details".
7. A message will appear from Windows Media Player stating that a Codec is required to play this file.
8. Click Web Help. This will take you to Microsoft's Web site.
9. Click on the link at the bottom of the page titled "wmpplugins.com".
10. Under download sites, click TSCC download page.
11. Scroll to the bottom of the page and click "I Accept". Then download TSCC Codec.
12. When the file download window appears, select "Run", then select "Run" again.
13. When the installation screen appears, click on "Install".

**If have any problems, please contact the Technology Department at Legend Financial Advisors, Inc.® at (412) 635-9210.**
